A New Dildo or Two

I want to put on a hot show for you because you want to fuck me so bad...

My live-in girlfriend Mandy used to have a couple of dildos by our bedside but when we moved she said they must have been misplaced because she did not find them in the unboxing at the new place.

"Oh well, they weren't really used so maybe we should get a couple new ones?" she said. "They really never got used so what were we missing."

We hadn't had sex in a while either because all the packing and unpacking took it out of us. Until one day just after dinner Mandy said "Honey, I have something to tell you." She continues "Well you know we haven't done it in a while, I thought that I'd pick up a new dildo, maybe we could have a little fun when it arrives."

I was looking out for the post every day. I had't noticed any packages arrive and Mandy hadn't mentioned anything for over a week. After work a couple of Fridays after she had broched the subject, I asked if they had gone missing. Mandy had a little smile on her face. "I was wondering when you were going to ask, the packages arrived on Tuesday but I was waiting to show you, so I hope you don't mind."

I told her not in the least.

"I'd been hoping that we could spend a Friday night playing as there was no work the next day." Mandy told me to get undressed and lie on the bed while she got ready.

I was ready and waiting for her when she entered in a slutty bikini that she had previously refused to wear, and a pair of cum-fuck-me heels. Mandy remained in the doorway, saying "I want to put on a hot show for you and because I know you want to fuck me bad, I'm going to need to restrain you a little, do you mind? I got them with the order." Mandy puts on a dressing gown and walks over to me, "You really want to see me put on a show, don't you baby?" Mandy says.

"I sure do. I can't wait." I say back to her.

Mandy takes out some cuffs from the gown pocket and sitting me up against the bed, cuffs my wrists to each bedpost. Mandy then goes down to suck on my cock, making it glisten. Sliding her tongue around the tip, she pulls out some ribbon and spreads my legs wide tying them to the frame of the bed.

Soon, she moves off the bed, letting her dressing gown fall to the floor to again reveal her sexy outfit.

Mandy says "You know the wrapper on this said 'slutkini.' It's so tiny and see through it would be like going naked on the beach." She runs her fingers through the tiny waist strap of the bikini bottoms pulling them tighter before letting them fall to the floor.

"Imagine all the men looking at my naked body? Oh, I'd better take the top off as well to show you. Do you like how I look, my big tits for everyone to see.

You need to have a closer look at my shaved pussy, don't you. You've never seen it like this before, have you baby?"

Mandy is now up on the bed straddling my face. "Do you want to eat it honey?" She then slips two fingers into her pussy saying "I bet you would, I bet you'd like to fuck it as well."

"Oh Mandy, yes!" I say. Mandy now turns around to show me her behind. Her pussy lips full and moist are forming a huge bud, ripe for licking.

"You want it on your tongue, don't you?" Mandy purrs. She places a foot on the headrest exposing her pussy completely to me. As she looks down, she lowers the wet bud onto my wating tongue. "Lick it from the front to the back." she says. I do, starting with her clit all the way to the edge of her pussy. "That's so nice honey," Mandy purrs at me, "I know how much you want to fuck me right now looking at your cock. "Now lick all the way back." she insists.

I go a little further, but Mandy says "I bet the men on the beach would lick it for me, in fact I know they would." I lick all the way back to her ass and as I reach it, Mandy says "Now stay there, it feels so good, it's too long since I had my ass licked like that."

Mandy says "You know I'm a slut for you, don't you. After all, you got me the 'slutkini'." Mandy hasn't moved her ass from my tongue, but now she leans over to the bedside night stand. "Baby, they sent me this," with Mandy presenting a sizable dildo. "It's bigger than the white one I had before."

Mandy now moves away from me a few inches and slides the dildo across her wet parted lips.

"What if some of the men on the beach had a nice big cock like this?" Mandy slides it slowly back and forth into her pussy.

"Oh baby, this feels as good as it did on Tuesday." she teases.

I say, "You tried it without me?"

She replies,putting on a huge grin, "Well I just was waiting so long, and it's been soooo long. Does watching me turn you on, baby?"

I respond quickly, "Yes Mandy, can I lick you again?" Mandy lowers herself back to my face as she fucks her glistening pussy with the big dildo, and I lick her ass as before. Mandy moans in apprecaition,

"You're such a good lover," now holding the dildo inside her with two fingers she rubs her clit with her thumb to reach a climax. "I can't help thinking of all those cocks on the beach getting hard for me. I bet two would be better than one." again teasing me. I jiggle one of the cuffs with Mandy smiling at me saying "All in good time, remember the show."

"You've done a real good job on my ass." she says as she slides the dildo out from her pussy towards her anus. "Did you ever get to fuck my ass before?" Mandy enquires continuing quickly, "No you didn't. Imagine if you had licked my ass like that before, you could have had it like this!" Mandy nudges the head of the dildo inside her wet puckered hole. and moans, "That is so much better." Mandy moves to put the other end of the dildo into my mouth and be-

gins to take it inch by inch into her welcoming hole.

"God how I've missed that feeling!" she cries out. With a few more loud moans, Mandy now has the dildo buried deep in her ass. With me holding it there, Mandy again reaches for the night stand. I can't see what she is doing right away.

She leaves the dildo in her ass lowering herself down beside me. Grabbing a couple of pillows, she

raises her ass so I can see her exposed holes. Mandy now shows me another dildo saying this one looks bigger doesn't it. She slides it across her pussy lips as she had done with the other one.

"Fuck, Mandy!" I blurt out. "You look too hot, show me how you take it!" She spreads her lips and slides the big head across them and tries to slide it in.

"It's so big, honey." Mandy says.

"Please push it in." I say. She is now rubbing it forcibly across her lips, and finally gets the first half inch inside before it slips out. Trying again she takes an inch again, and then more.

"Fuck that thing!" I tell her. "Take it in your slutty pussy' like we are at the beach. I need you to cum for me." I tell her. Mandy reaches over with a key and unlocks one of the cuffs. I pick up the key as she drops it and undo the other before untying my ankles. I get on my knees and look down at her taking those two big dildos.

"Fuck those big dicks Mandy, let them fuck your ass and pussy hard." I moan out to her. Mandy is using both hands to fuck her ass and pussy with the two big dildos.

"I love to have cock in my ass and pussy at the same time." Mandy maons out loudly, "Cum over me while I fuck them."

My cock is ready to burst as Mandy finished talking. Shooting a huge load of cum over her entire body. Mandy now moans so loudly I am sure that the whole street could hear her climax this time. The dildos now slide slowly out of her ass and pussy, leaving them agape.

Mandy asks "Will I have to tie you up again next time?" I say I hope not. Mandy continues, "You know I love you but I need to let you know something, baby?" I say. Mandy adds, "I had a boyfriend at college who I cheated on. He was just a boyfriend, but I cheated on him with another guy. It felt so dirty the cheating, so I was really slutty with the new guy I was cheating with. I always had a clean shaven pussy for him, like now and he wa the first one to fuck my ass. He licked it for two weeks before I let him do it, then he told his friends about me and well, that was my first time with a few guys."

I grab the biggest dildo and start to slide it into Mandy's pussy again. "Tonight was so good Mandy, I want to eat your pussy, your ass, I want to watch you take those dildos again." I say.

Mandy adds, "I want you to as well honey. If you want to make that happen, I'll need the dildos again. Tell me you want me to be your slut."

I'm fucking Mandy harder with the dildo as I bend down to kiss her tits and then her mouth. "Can I watch you fuck them." I ask.

Sometimes she replies, sometimes she doesn't.

SHY LOVE, ABBY CROSS, ADRIANA CHECHIK

After some sexy swimsuit shopping, the ladies tried on their hot new bikinis for each other back at the pool. Their bodies were looking so fine, they just needed to be licked and fingered and more. After their pussies were nice and wet it was time to lick them tender. These three couldn't get enough until they all came.

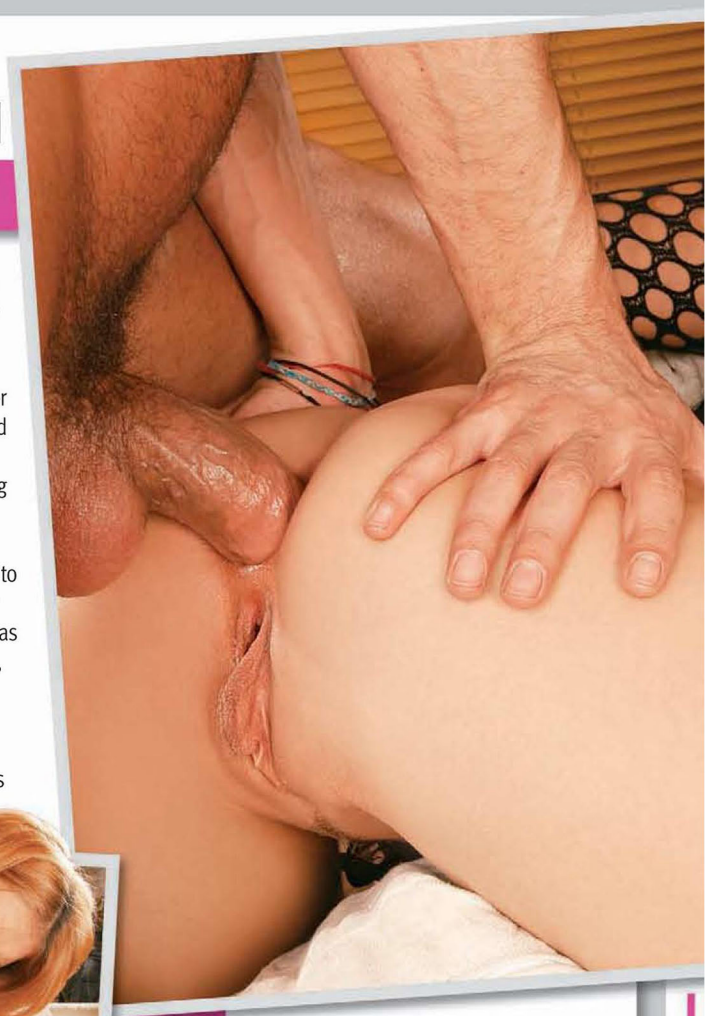
GUITAR LICKS



I first saw Roxy when her band played a gig in our town, opening the show. She was red hot, a strawberry-blonde singer-guitarist, and a couple songs into her set, my boyfriend Jason had a boner for her and I had a girl-crush. Later, as the headliners played, I saw her at the bar.

"Good gig," I said. "You were hot."

"Thanks, honey. You got a guest bed?" she replied, desperate to avoid another night in the band's minivan!

Back at our place, I couldn't stop staring at her as we talked. Jason took his time getting back from fetching beers from the basement, and I said he was probably jacking off. No joke!

That's when it got personal. Roxy said maybe I should go suck his dick. I said it wasn't me getting him hot right now. She smiled, like she was flattered but used to compliments like this, then said, "What about you? Feelin' hot?"

She splayed her legs. She was still in her stagewear, a cropped tank, microskirt and fishnet pantyhose – and no panties. She said she got off on strutting around, giving anyone close enough to the stage a glimpse of her cunt.

She began to stroke it and I moved over to her, watching as she frigged inside of her hole. The mesh over her ass and crotch was stretched real tight. Then, all of a sudden, she hooked her fingers in it and pulled, tearing a huge gap right over her snatch.

I licked around the edges, working inward, then tongued her clit. Her top was off now and she caressed her own tits. Then Jason walked in, busted because he'd forgotten the beers!

> "I guided it inside of her hole, rubbing her juices on his balls, flavoring my licks"

"How quick can you get hard again?" asked Roxy, before playfully shoving my head back between her thighs. Pretty quick was the answer, especially with her muso's fingers spanking his plank!

Once he was rigid, she got on him, back to his chest, so he could squeeze and knead her tits. I played with his dick, slapping his helmet up against her soaking slit, bouncing it off of her swollen clit. Then I guided it inside of her, rubbing her juices on his balls, flavoring my licks.

He ground into her slow and steady, holding her by the ass and moving her limber body on his tool. My tongue lashed his bulging nuts, teasing along the veins on them. Then the thrusts began, Roxy's ass quivering from the impact of his crotch.

All I could do now was watch and finger my own pussy, three sinking in down to the knuckle. I rubbed the tip of my clit with my thumb, my eyes fixed on my boyfriend's dick pounding in and out of Roxy's snatch. She was so wet it looked like there could be no friction, but she was feeling it for sure. Her moans and spasms told me that.

I know when Jason's cumming – the sounds he makes, the way his cock swells. To see the signs while it was pounding some other girl's cunt right in front of my face was such a turn-on. I saw his balls contract, his shaft twitch. I left him inside of her for a count of three, then as he stroked out I flipped him clear, aiming his shaft to hose his jizz all over her slit.

I couldn't resist catching a few spurts in my mouth, sighing as they burst on my tongue, all hot and creamy. Then I drooled them out onto her twat and Jason's twitching balls.

Now I got licking, tasting spunk at first although the tang of her pussy got stronger with each suck. As I ate her, I told myself she was moaning louder from my tongue than Jason's dick. Then she wanted to eat the peach too.

Jason could barely drag himself to the other side of the bed – poor guy just laid there as Roxy and I ate each other's cunt. But as soon as he was hard again, he was inside of my hole, pausing only for Roxy to give his nuts a lick mid-thrust. I'm sure Roxy gets plenty of 'hospitality' from fans old and new when she's on the road, but she can bunk at our place anytime. Or maybe invite us to her five-star hotel room when she hits the big time!

NONE MORE NASTY

May I say hi to Scarlett, the fuck of my life so far? This isn't some mushy love letter – I just need to spill how nasty this bitch is!

I'd barely sucked a tit or tasted pussy when we met, but then she took me home from a party and broke me in. She nearly broke me, period – she's like a one-woman gangbang! I woke up, a little delicate from the night before, only to find her head between my legs, licking away.

> **"She raised the stakes, finding a dildo under the pillow, jamming it deep in me"**

"I'll start out gently," she said, although we didn't last ten minutes before I was fucking her face. "Whoa..." she said, and got in a sixty-nine, so she could lean on my thighs and pin them wide apart.

I'm a fast learner – I already knew what got her off. Just about anything! But I still used my best tricks as I sucked her clit, then found her G-spot. She howled up against my crotch, then raised the stakes, finding a dildo under the pillow, then jamming it deep in my cooch.

She pummeled me good, angling it to catch me where it mattered. There was a kind of frustration to it after I'd cum,

knowing I wasn't gonna feel that deep, hot rush of spunk inside of me. But that passed as Scarlett and her toy kept pounding relentlessly, permanently hard and making me cum till she decided I was done.

We tried all kinds of play – I finally shocked her with how much I dug anal, sitting with my ass in her face as she probed me with yet another of her toy collection. I told her all about my ex, a real ass freak, who had sent me off to work each morning with a butt full of spunk. So much for the sweet little innocent she was educating!

And so she got a strap-on, a big black rubber dong. It didn't look real, but then she said she didn't want my mind drifting to cock. She wanted me to be aware I was fucking a woman.

I lay on the bed, missionary style, my knees parted. She used the dildo to build up friction, rubbing along my slit and over my clitoris, squishing it up against my pubic bone. A little rough but it did the trick – my cunt was wet, already throbbing from what she was doing now and the memory of the previous night.

"Legs up," she breathed, and I rested them on her shoulders, feet flexing as her dildo worked on my clit. Then she pulled back a little before sweeping right in.

It was a lot to take in – a big black latex cock crammed in my snatch, topped off by my sexy friend, tits bouncing and breath coming in gasps as she fucked me. She was rocking her entire body, putting every ounce of it into

snapping her hips back and forth, fucking me hard as she could. It felt so good, but when I spotted a vibrator she'd left on the bed, I grabbed that too, and held it to my clit. She called me a bitch in heat, then pulled out, saying if I wanted to cum that bad, she'd make it happen.

I thought she'd roll me over, but instead she

> **"She didn't thrust, just dipped, but kept the fat head of the toy working inside the very opening of my ass"**

shoved my legs back, tilting my butt up to expose my asshole. My crack was already running with juice, and she swiped more on it from her toy.

She didn't thrust, just dipped, only about an inch in and out, but it kept the fat head of the toy working inside of the very opening of my ass. Weirdly, it felt even fuller than when I took an entire length, stretching the nerve-center to the limit. Again, I used the vibrator on my clit, and instantly began to cum. Scarlett had a priceless look on her face, like one self-satisfied bitch, but I was cumming too hard to call her on it.

I've told Scarlett to her face, and now I want see it written in black and white in *Club* too – nobody's ever fucked me like she does. Official. Maybe the tiniest part of me is missing dick, though – there's nothing like that rush of spunk. Perhaps you guys reading this can jerk a load out in my honor?

POSTER GIRL FOR KINKY

I manage a print shop and, for certain customers, a sense of humor works better than kissing ass! One client's a tattoed chick who calls herself Ophelia – she likes my flirty remarks and has an answer for most of them.

We print posters and flyers for the club nights she runs, and one day she collected a batch promoting a fetish event. I asked her what was the most twisted thing she'd ever done sexually – and she sniped right back, "Fucking a big, dumb jock like you!"

She looked so sexy in a little corset top and plaid skirt, with knee-high lace-up sandals. And calling me a big, dumb jock was fair comment. But she was dumb, too – dumb enough to fuck me!

I took her out back, to our meeting room, and we made out on the black leather couch. I freed her tits from her top – it still pushed them up and out – and saw she had her nipples pierced as well as her tongue. As my tongue flicked against her steel rings, she twitched and writhed underneath me. I stroked down over her flat belly, and clamped my open hand over her crotch.

All there was between my palm and her pussy was the thinnest layer of black lace and silk, and she circled her hips, rubbing up against me. No piercings down there, but she was shaved and wet – what more can a guy want?

I fondled her pussy lips, so soft and full, then pulled my hand away and told her to strip for me. She did, right down to her sandals and jewelry, then came over for some dick fun. As she jacked me with both hands, her hair fell forward. It was long and dark, and she swished and whipped it over my stiff meat. It was soft and silky, and tickled and tormented the engorged crown of my dick.

> "As she jacked me, she swished and whipped her hair over my stiff meat"

She was all-over perfect but her ass just clinched the prize – not fat but full and round. As we made out standing up, my hands were all over it, even when she rubbed her metal-studded boobs up against my chest.

I asked her to let me play with it, and soon she was butt-skyward over a footstool. Her slit was moist and tempting, but for now I just slipped my length between those creamy buns and squashed them around it.

My balls bumped up against her shaven lips so I took them in one hand, working them up against her smooth flesh. There was a time I hated tattoos on girls. Now I just wanted to spurt all over the ink on her back.

Too bad we didn't have time to do that and everything else I wanted, and she was begging for cock now, sorely in need of a screwing. I stroked the rim of her twat with the very tips of my fingers, then nudged inside of her.

I started to thrust, built up a rhythm, but it wasn't quite doing it for Ophelia. "I'm taking your dick, not fucking you," she said. Same difference to me, but I let her reposition us sitting on the couch, her sat

on my lap.

Okay, I have to admit it did feel even better with Ophelia's ass bearing down on my cock, her cheeks spreading against my body. I fucked upward and she ground down, clenched and rose, then sunk deep again. My fingers were on her nipples, flicking her rings as her rack bounced freely. She was screaming, totally uninhibited, then as her pussy began to orgasm, enclosing my shaft, she told me to cum.

It's not something a guy can usually do on command, but it only took one thrust before my jizz blasted out, deep in her pussy. And I guess I was totally under spell, because when she told me to stay hard and stick my dick in her ass, I found I was able to do that too...

ALL-SPEED SCREWING

When Frank goes down on me, it's like pussy worship. Last time, he made dinner for me, just one light course and plenty of dirty talk. Then, for dessert, he ate me, laying me back and chowing down for over an hour.

I just sprawled there, legs wide, sipping champagne as his tongue played over my folds. By the time he began to suck on my clit I was so sensitized I could hardly handle it. I humped against his mouth, hands squeezing my own tits, and came, the juices running down his chin as his tongue flicked over my nub.

He brought me to climax after climax with his tongue and fingers, but I wanted his cock so badly. How the hell he stayed hard for so long, I don't really know – I thought he'd be ready to blow when I finally touched him. But he took plenty of deep sucking, straddling my head with his balls dragging over my face as I blew him.

He'd saved up quite a load for me – said he hadn't jerked off for a couple of days before. His nuts were full to the max and when he jizzed it ran all over my tongue. That's the one time he lost control, dick thrusting down into my throat as it all siphoned out. Afterwards, he fucked me long and slow.

I woke in the early hours, feeling horny again. I reached for Frank's cock, then hesitated. Instead, I got my vibrator and went into the bathroom.

> The deep pounding in my ass just powered up my orgasm. I came over and over

I had one leg up on the counter, laying my pussy open as I banged it with the full length of my toy, eyes shut and mind focused on the throbbing deep inside of me. Then, when I opened them again, I saw Frank in the mirror, standing behind me. I felt guilty, then tried to explain that I wanted a quick fix, a hard, fast pounding. "Okay," he said calmly, then took the vibrator from my hole, swiping the shaft over my mouth for me to lick. "Suck on it," he told me, then slammed his dick into my snatch.

I barely had time to catch my breath before he was screwing me hard, mashing me up against the counter. He checked himself, then pulled me backward, both feet on the floor now, before bending me over, pressing down so my tits flattened against the cool marble. I could still see us both reflected in the mirror, so I caught his eye, spit out the toy and told him to fuck me, all-out hard.

He slammed inside of me, lifting me up on tiptoe, then jackhammered in and out, cock churning my juices. He looked like he was lost in fucking me, chewing his lip, trying to hold back. Then he caught my eye in the mirror again, and reached around to frig my clit, sending me over the brink.

I thought he'd cum but he pulled out instead, and spun me around, still bent forward, till my face was in his crotch. He had me close my mouth around his dick, right down to the root, and skim off my juices with one single suck. Then he turned me around again.

He fetched some lube, then smeared it on my asshole. Now I felt a little nervous – he'd only ever butt-fucked me slow and steady. He probed inside of my ass with one finger, then two, then I felt my vibrator sink in, teasing me open. I breathed in deep as his cock bumped up into position, gasping as it penetrated me to the hilt.

To my relief, he took it slow this time too. Then I began to wiggle my ass against him, grinding and humping on and off him. "Harder," I said, and the moment he started to frig my clit again, the pounding in my ass just powered up my orgasm. I came over and over and again, barely a few seconds between each one, till my body started to shiver. Then Frank thrust in hard, and spunked in my ass.

I do appreciate a long, slow licking and fucking, but now Frank knows I like a serious pounding, too – in either hole. And he's a pretty obliging guy!

VINTAGE WOOD

Recently, I inherited a load of antique furniture. It's not really my style and so I contacted a local dealer, a guy named Vincent. My roomie Nola and I expected him to be quite old – not a guy in his thirties, six foot and buff, with bleach-blond hair. Nola flirted with him, and I joined in – only fair as I'd invited him over!

When he photographed my loveseat for his inventory, he asked us to sit on it for another shot. "How much action has this seen over the years?" Nola wondered, and Vincent dared us to show it some more.

Nola kissed me, eager to impress, and I gave it back, tongue sliding in her mouth as I grabbed her tits. "Go for it..." groaned Vincent.

"Put the camera down and get your ass over here immediately," she said, and he obeyed. She wasn't shy about posing for him, she just had a better use for him!

I already knew she was cock-crazed, but seeing her pounce on his meat the second he got naked left me open-mouthed. One moment it was in his pants, the next it was buried in her throat.

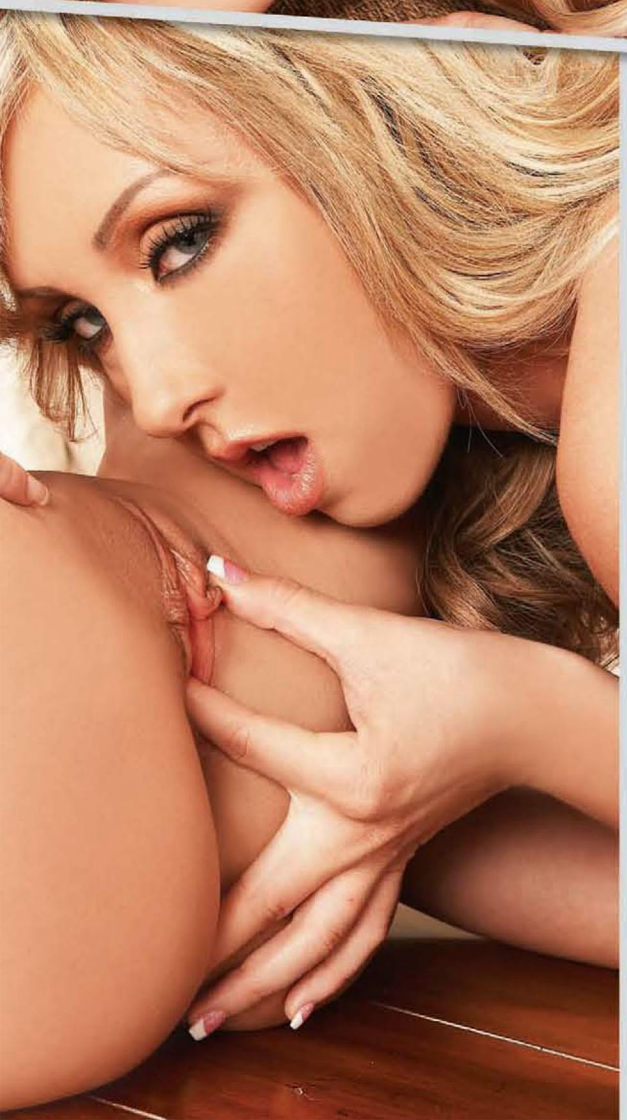
She was blowing him ravenously, fingers clawing at his ass cheeks. His hands were all over her boobs, and so I fit in where I could, nuzzling her neck with my hand fondling her crotch.

I was too much of a distraction, so Vincent lay on the couch and told her to ride him instead. She lowered herself down on his cock, grinding on him. Now, as I cupped her tits and tweaked her nipples, her cunt tightened to trap his shaft.

Nola's a good pal and didn't forget me, sneaking a hand back to play with my pussy. But when I began to moan, Vincent suddenly realized where he really wanted his prick to be...

He was subtle about switching, using his fingers on her clit, till she was cumming, then licking them, sounding like she had the sweetest juices he'd ever sampled. "Come up here and let me suck your

> As I cupped her tits and tweaked her nipples her cunt tightened to trap his shaft



cunt," he said, and so she slid forward, striping his body with fuck-cream. Then she swung around, settling over his face and looking toward his feet.

His prick was standing up rigid, and I felt my mouth water as I looked at it. I strung out the anticipation, jerking it as I straddled his legs. Then I took it in my cunt, sitting right down on it, Nola riding his tongue as he let out a groan.

I kissed her, my tongue thrusting in as Vincent's cock filled my hole, and she sucked on it as he ate her snatch. We nailed him hard at both ends – I heard the wooden seat creak as we went faster, but it held steady, so I bowed my head to suck on Nola's tits. She ground so hard on Vincent's face he had to get sneaky to take a breath in, sliding a couple fingers in her butthole and pushing her clear of his mouth. Then he craned up to suck her clit, and had her cumming hard, the wetness splashing from her pussy.

With such a good fuck-show to watch, I didn't mind frigging my own clit. The pounding cock got me off faster, and as my pussy clenched around it, Vincent came too, my hole brimming over.

As I got up, Nola used her palm and mouth to catch the spunk, swallowing as much as she could take. I thought I'd gone beyond cumming again, but then another climax built and sent a hot flash through me.

> **"Nola used her palm and mouth to catch the spunk, swallowing as much as she could"**

Vincent gave me a real good deal on the furniture – even though the fabric of the seat was stained with sweat and spunk. He said he'd just restore it, or tell the customer it was from royalty fucking on it or something. He wasn't serious about that, of course, but his offer to lend us his 'expertise' any time we need it is bona fide! ***"21st Century Snatch" – New Hampshire*** ♣

HORNY HUSBAND

I'd never watched my wife make it with someone else before, but when she suggested the scenario to me, I thought...why not? So on the big day, I hid in our huge walk-in closet and waited for Enid to bring someone into the bedroom.

Imagine my surprise when I saw our maid, Susanna. Susanna was just 19—in fact, she'd just celebrated her birthday with us—blue-eyed and brunette, and compact, with a big chest for such a little gal. I'd secretly lusted after her for a while; then again maybe it wasn't such a secret, after all. I watched as Enid french-kissed the girl, who responded fervently. Within seconds, their clothes littered the floor, and they got on the bed. My wife's face was soon buried between the teen's slender thighs.

I grabbed my cock as I listened to Enid slurping up Susanna's pussy-juices. Oh yeah, I thought, this is going to be good. My fat cock slid up and down through my fingers as I imagined burying it deep in Susanna's pussy. Young pussy is always so tight, so eager. I almost came right then, but I managed to hang on.

Susanna mewed, her fingers pressing into my wife's shoulders, and she arched her back as she came to orgasm under Enid's experienced tongue-lashing.

"Ohh, yesssss, Mrs. Barker, yesss," she shrilled. She vibrated from the orgasm, and not even another minute passed before she came again. She gasped again and again as Enid brought her to the edge and beyond.

My hand moved faster on my cock as I fingered the swollen, purple tip. I imagined sliding my tool into Susanna's pulsating pussy, into her ass—I knew it would fit like a glove—or into her wet and enthusiastic mouth. I closed my eyes, savoring the moment.

My wife raised her head and grinned down at the trembling teen. Enid isn't bad-looking, either—she's an athletic 30-something blonde, a good 10 years younger than me, with a very healthy appetite for sex. And she's kept me happy and busy with nightly fuckings for the entire seven years of our marriage. A guy can't complain about that!

HOW CHARMING. THE GIRL WAS CONCERNED ABOUT HER LACK OF EXPERIENCE

But the more I looked at that sopping teen pussy, the more I realized how much I wanted some.

"Oh, wow," Susanna moaned, "I've never done that."

"Good," my wife purred as she propped herself up on one arm and idly played with Susanna's perky nipples. I had an unobstructed view of the tempting teen, who was no more than five feet away from where I stood in the closet. Enid kneaded the stiff nubbins, twisting and tweaking. All the while the pretty girl moaned, her eyelids fluttering with pleasure. Enid bent down and started nursing at the girl's breasts, licking and lathering the nipples.

My hand shifted to my balls. I squeezed them, then bit back a groan. I didn't want Susanna to know I was there...not yet, anyway.

"You don't mind that I'm a virgin, do you?" she asked.

How charming! I thought. The girl was concerned about her lack of experience.

"Not at all." My wife's fingers stroked faster now, pulling and tugging at the teen's tits. "Play with yourself," she urged. "Yes, that's it...move those legs far apart. I want to see your pink."

Susanna blushed but obeyed, opening her legs wide, revealing her soft folds and downy fuzz. God, I'd never seen such a sweet-looking pussy before. I licked my

lips; I bet it was as sweet tasting as it looked, too. My hand moved faster on my cock. I was close, very close. Did I want to shoot now or delay it? My legs trembled as I slowed my pace just a bit.

"Now play with yourself. Make yourself come, baby," Enid instructed.

The girl touched her clit and jumped a bit, while Enid watched. Enid began stroking her own slit and smiled encouragement. She slipped a finger inside her own pussy and finger-fucked herself while she watched the teen beauty run her finger up and down.

"Yes, that's right, baby. Stick a finger inside yourself. Now two. Three!"

Susanna obeyed while Enid masturbated with her. The sight of these two beautiful women finger-fucking themselves was too much for me. My cock jumped in my hand, and I grunted as I shot my jism all over. I pumped and pumped and ground my teeth.

"Oh!" Susanna said as she brought herself to orgasm. Suddenly, she stopped and looked up. "What was that?"

"That," I said, flinging open the closet door, "was me." My cock still leaked cum as I leaped onto the bed and started kissing first Susanna, then Enid. I buried my face between the teen's thighs, then I reached out and slipped four fingers inside Enid. She was already close to orgasm, and it didn't take much to make her come.

And I'd been right—Susanna was sweet. Her honeyed ooze dribbled into my mouth as I slurped and licked her fragrant folds, my tongue wiggling deep inside her.

Enid positioned herself over Susanna, then sat on the girl's face while the girl busily ate my wife out. God, I just love the sound of a girl eating pussy! I nibbled the girl's little pearl, swirling my tongue around and around her clit, until it couldn't stand any taller.

Then she eagerly sucked my cock while I gobbled my wife's pussy. At that point, I decided it was time to take Susanna's precious little cherry. I fucked her pussy with long, full strokes, bringing her close to the edge each time, then backing away, making her writhe with desire. Our little teen slut was screaming for release by the time I finished in her tight ass, scalding her with my hot seed.

It was a very long night for us—and just the first of many such wonderful trysts.

STALL SEXING

My office job was killing me; I was too stressed and tired every time I came home late.

That cold winter afternoon my Mona gave me a ride to the airport. I was flying on a quick business trip. While we were waiting for my check-in I looked at my beautiful wife's face and could see a sad look in her eyes. I knew I had not fucked her in two weeks.

I made her promise that she would not fuck any stranger during my absence. She laughed and replied she would stay there at the airport after my departure because her girlfriend Simone was arriving back home from Miami and then both would be at Simone´s home during the rest of the day. She did not have to tell me Simone would fuck her brains out; I just knew it.

Finally my flight was ready and I kissed Mona goodbye and went on the plane with the rest of the passengers. One hour later we were still motionless in the middle of the tarmac. Two hours later we were informed the flight had been cancelled. It was snowing very heavily and thus it was dangerous to try a flight that afternoon.

I made my way back to the terminal; gathered my suitcase and I was again at the same point where Mona dropped me off a few hours ago.

THE SIGHT OF THESE BEAUTIFUL WOIMEN FIINGER-FUCKING THEMSELVES WAS TOO MUCH FOR ME.

I called my boss to explain and he said not to worry because he would send someone else by car. He added I could have a couple days off, and no go into the office. Then I relaxed and called my wife but her cellphone was out of the service area.

I decided to take a taxi and come back home; it would be a nice surprise although I knew she was spending the afternoon at Simone´s.

Before looking for a taxi I needed to go to the men´s room. Inside I found a huge man speaking on his cell phone. He was a real giant; dressed in a nice suit with a purple scarf hanging down from his neck. By the looks of him, he was a professional football player; maybe a tight end.

He did not even look at me. I could hear he was telling somebody he was busy now, because he had a hot pussy to fuck in the airport men's room. As he was saying that, he looked inside the last open booth and smiled to someone hiding there.

Then a female voice called out:

"Hurry up, you hunk… just remember my pussy's on fire…"

I was surprised, because it seemed to me that I could recognize that voice. But then I said no; my sweet Mona was at Simone's home right now.

The huge man finished his call and entered the last booth. He yelled: "Now woman, it's time for a good hard cock in your wet married pussy…"

Well, I thought to myself… I could enjoy a voyeur time before catching a taxi; so, I sat down on the near booth and tried to hear the sounds inside.

Maybe the woman was sucking him first, because I could hear just his grunts and soft moans. I confirmed it as I could hear slurping sounds and the woman gagging and trying to catch some breath from time to time.

After some minutes, some movements told me he was ready for some heavy action. I heard the woman moving from her seat and starting to moan.

The guy was now slapping her buttocks; then more female moans from inside the stall.

"I knew you would come for more. Once you has a piece of this cock you would be back for more. You married's are all the same."

All of a sudden I loud scream filled the room. I assume she had got him deep inside her.

I could hear the noises of his hips slapping her buttocks, as he fucked her in a wild way; showing no mercy at all. He laughed and yelled:

"Your pussy's really on fire… much better than your tight ass."

"Yes, I know you like that so shut up and fuck me with your filthy big cock, you bastard."

Now I jumped in surprise because I was sure I had recognized that desperate voice crying for more cock. Now I was sure my loving Mona was there impaled on a huge football player's cock as I was jerking my dick off inside the near booth.

MONA WAS THERE IMPALED ON A HUGE FOOTBALL PLAYER'S COCK.

Suddenly, she was screaming louder and I knew she was having an intense orgasm, with that huge dick buried in her wet pussy.

Then I felt my own orgasm start as I heard my lovely wife and seconds later the guy grunting and finally emptying his balls deep inside Mona's body.

I quickly pulled myself together and tried to get out from there before they could see me.

Fifteen minutes later I was on my way home in a taxi, when I received a call from Mona. She sounded happy; telling me she was at Simone's house.

I explained her all about the flight being delayed and finally cancelled. I told her I would wait for her at home.

Then Simone took the phone:

"Hey, Norman, don't worry about your pretty wife; I will keep her busy for you." she said.

Well, I thought to myself; I was wrong; because my sweet wife was with her friend at the time I was hearing that woman being fucked in the men's room.

But my worst fears were confirmed when Mona came back home late night.

She was smiling as she had been freshly fucked by her naughty girlfriend.

She was also happy having me at home during the weekend.

But the first thing I noticed when I saw my loving wife approaching me, was the purple scarf around her neck.

EMILY ADDISON & RANDY MOORE

This is one of the hottest summers to date, and not just because we have these two besties in the same bed. Slowly they began to play with each others pussies and eventually started rubbing them together. As the fun ensued, an 18-inch purple double dong came into play and found it'd way into both their pussies. That is hot!
